

LOOSE FIT:

The ideal choice for individuals who look for a more relaxed fit in their clothing.

Not so much tailoring in the shape, just solid spacious snowwear styles with plenty of room for layering and heaps of on the hill style. For those who like it big and baggy!

REGULAR FIT:

This is the tried and trusted fit in the Colour Wear range providing freedom of movement and room for layering without being too oversized.

TAILORED FIT:

Clothing cut more to fit the shape of the body, and accentuate the style of the garment. Jackets are fitted slightly at the waist, and sleeves are slimmer than normal. Pants have an ergonomic shape with pinned in knee sections. Heaps of style without restricting mobility and performance.
